

Business Blender

The Chamber hosts four to five Business to Business networking events throughout the year, held after business hours at different locations around the Region. The host location provides the location, serves hors d'oeuvres and a cash bar is always available. The cost to attendees is \$10.00 at the door. We provide the opportunity to meet other business owners, employees, community and elected leaders!

Enjoy a great night of networking, developing new contacts and educating others about your business or organization. Business cards are collected for special door prize giveaways. Prize donation opportunities are also available. Sponsors are able to take advantage of business exposure before, during and after the networking event!.

Business Blender Sponsor - \$300 per event
