Tournament Proceeds

Cancer affects individuals each and everyday. At this time about 11 million people alive in the United States have had some type of cancer. Some of these people are cancer-free; others still have the disease. The American Cancer Society Relay For Life is a life-changing event that gives everyone in communities across the globe a chance to celebrate the lives of people who have battled cancer, remember loved ones lost, and fight back against the disease. A portion of the tournament proceeds will be donated to this great cause in which the Niagara River Region Chamber of Commerce is proud to partner with. One person can make a difference!

Special Recognition

Many Thanks to the following committee members who have helped to ensure the success of this event:
