YBPA – WELCOME NEW MEMBERS!

~ Established in 1976 - Youngstown businesses and professionals work together in cooperation with the Village of Youngstown. We apply for grants which have helped with purchasing hanging flower baskets, new business district signage, and the “WELCOME TO YOUNGSTOWN” brochures every year which highlights each member’s business, new displays of official Village flags as well as holiday lights on Main and Lockport Streets and within Falkner Park in the heart of the Village. With projects from the grant comes improved public relations with other Niagara County communities. In 2015 the YBPA donated a commercial grade bench to the Village Community Center grounds at 240 Lockport Street in memory of the late Mayor Neil C. Riordan. Then in June we’ll provide the 7th annual “HERE COMES SUMMER” Street Dance on Main & Hinman Streets. This year’s dance will be June 23rd, 2016 on the last day of school. We also choose and then honor the 2016 “BUSINESS OF THE YEAR”. This year’s winner is Ray’s Tavern of Youngstown, NY. We own a domain that is kept current by the NRRCC with our member’s names and data. We also host a “24/7 webcam” with views of the Niagara River flowing into Lake Ontario (beautiful sunsets free 😊) Working together we help make Youngstown and its environs a place you’d love to visit, start a business, and even some day call home.

~ MISSION STATEMENT: The mission of the Youngstown Business & Professional Association Inc. (YBPA) is to plan and actively promote the ways and means to preserve, protect, and improve the civic, business, and professional life of the Village of Youngstown and surrounding community. We join with Village officials, public service organizations and individuals to work together to achieve this goal.

Above are some of the things we offer our members and thus our community. We are always growing, always learning, always improving, and always accepting new members. Suggestions are welcome. If this sounds like a group you’d like to belong to please give us a call.

The current members and officers of the YBPA welcome you!
